Each apartment is fitted with the following key features:

- a modern kitchen with an electric oven, electric hob, extractor fan, fridge freezer and washing machine

# About social housing at Selig Court

We provide a limited number of social housing apartments for people in housing need, nominated by Barnet Council. These apartments offer reduced rent and support charges, and normally no deposit is required.

## Eligibility criteria

If you wish to rent a social housing apartment at Selig Court, you need to meet our eligibility requirements:

- you meet the Barnet Council's criteria for housing need,
- you are a member of the Jewish community,
- you are over the age of 60,
- you have the right to rent a property in the UK,
- you are able to meet the ongoing costs for at least three years,
- and you require a minimum of three hours' support per week (see page 12 for information about what qualifies as support).

At Selig Court, priority is given to Holocaust survivors and refugees from Nazi persecution as well as those with the greatest housing need.

# The tenancy agreement

Our Retirement Living apartments are let on an assured shorthold tenancy basis, with sole or joint occupancy. This means that you can rent an apartment on your own or with a partner for a minimum fixed term period of three years, giving you security of tenure. After the fixed term period your tenancy agreement will automatically renew going forward.

All tenants sign a tenancy agreement, which is a legally binding contract between the tenant (you) and the landlord (Jewish Care). The agreement is based on current legal requirements and tells you what we must do as your landlord and what your responsibilities are.

The tenancy agreement contains information such as:

- Your name and the address of the property being let,
- the date the tenancy begins and duration of the fixed term,
- the amount of rent payable, how often and when it should be paid, and when it can be reviewed,

- a code of conduct for tenants and visitors (tenants are responsible for the behaviour of their visitors),
- the services and facilities we will provide,
- other information including the prohibition of sub-letting apartments and passing on tenancies,
- and when and under what circumstances the tenancy can be terminated.

Jewish Care can terminate a tenancy if payments are missed or if any of the tenancy's conditions are breached. However, we cannot do this summarily (a court order is required) and we will always act reasonably before initiating the termination process (for example, first seeking through dialogue to resolve any payment issues or other breaches).

For full terms and conditions please see our tenancy agreement at **[jewishcare.org/tenancy-agreement](http://jewishcare.org/tenancy-agreement)**

## Right to rent

We are required by law to carry out checks to confirm that you have the right to rent in the UK. We will ask you to complete a form and provide documentation when you make your application.

Visit [\*\*jewishcare.org/right-to-rent\*\*](https://www.jewishcare.org/right-to-rent) for more information.

You can also see information provided by the UK government at [\*\*gov.uk/check-tenant-right-to-rent-documents\*\*](https://www.gov.uk/check-tenant-right-to-rent-documents)

## Information about costs

We understand that the decision to move to a Retirement Living community requires a lot of financial consideration. Whether you currently live at Selig Court or you're thinking about applying, we are here to help if you have any questions about the costs outlined in this booklet. You can call our Admissions Team on 020 8922 2200 or email [retirementliving@jcare.org](mailto:retirementliving@jcare.org). Please note we do not offer financial advice.

We review our fees annually and will always give at least one months' notice in writing before any changes to the rent, support charge or any other Jewish Care charges are made.

You can represent your views about the charges and services at regular tenants' meetings.

## Guarantor

We ask all applicants to provide a guarantor. A guarantor is someone who would be willing to pay your rent and other expenses if you were unable to. This would usually be someone you know well such as a family member or close friend.

See [\*\*jewishcare.org/guarantee-form\*\*](https://www.jewishcare.org/guarantee-form) for more information.

# Costs related to moving into Selig Court

We do not charge fees for applications, assessments or administration.

We request that tenants arrange their own removal services and meet the related costs.

## **Deposit**

Normally, no reservation or security desposit is required for a social housing apartment at Selig Court.

# Ongoing costs: Services provided by Jewish Care

The main ongoing costs for services provided by Jewish Care are the rent and support charge. You also have the option of purchasing additional care at your disposal. This section outlines these key costs.

## Total monthly charge

This is the sum of the rent and the support charge and does not include any care you wish to purchase.

| <p>£1,851.44</p> |

All charges are due from the date you sign the Tenancy Agreement, which may be different from your date of occupation.

# Cost breakdown: Inclusive Rent

We are careful to keep the rental cost in line with comparable schemes and properties in the area. The rental cost for each apartment is based on its size and layout (which is variable).

| Rent per calendar month 1 April 2025 to 31 March 2026 |           |
|---|-----------|
| 1 Bedroom   | £1,534.62 |

## The inclusive rent is payable in advance and covers the following:

- occupation of an apartment,
- use of communal areas and any shared facilities, e.g. shared garden area,
- maintenance of the building and communal areas,
- maintenance of fixtures and fittings provided by Jewish Care,
- major work and cyclical building refurbishments,
- a proportion of Jewish Care’s corporate management services (HR, audit, legal, etc.) relative to the running of the Retirement Living service,
- grounds maintenance, external window cleaning and refuse management,
- concierge service (see page 16 for more information),
- and buildings insurance, public liability insurance and employers’ liability insurance. The policies and certificates for these are available on request.

## Rent policy

Our rent policy provides that the rent is a fixed charge that increases on 1st April each year in line with the limits set by the Regulator of Social Housing. We give advance notice by the end of February.

Jewish Care will manage any significant failure to provide a service covered by the inclusive rent. No part of the inclusive rent is held in trust.

# Cost breakdown: Support Charge

Having a support charge means you can benefit from the safety and security of on-site staff 24-hours a day, every day, who can respond quickly in the event of an emergency. Each apartment is equipped with a personal alarm system that links up to the staff on-site.

The support charge also enables us to provide you with three hours per week of individual, personalised support. This will be discussed and times agreed with you during your assessment and is flexible to your changing needs over time. Please note that essential personal care and medication may take priority over other support.

The support you choose to benefit from might include:

- assistance with shopping
- preparing meals
- light housework and laundry
- assistance with paperwork (paying bills, writing letters, etc.)
- advocating on your behalf
- arranging appointments and transport
- advice and support when caring for a loved one
- accompanying you to social engagements and appointments
- companionship

We understand that you may only need limited support and that many of these do not apply to you. We will always make sure your support is bespoke to your needs and preferences.

| Support charge per calendar month<br>1 April 2025 to 31 March 2026 |
|--|
| 1 Bedroom £316.82  |

The support charge does not cover the provision of care services such as personal care or medication support, however you can purchase care from us separately at an additional cost (see Care section on page 13). For the full terms and conditions please see our Support Contract at [jewishcare.org/support-contract](http://jewishcare.org/support-contract)

## Care

In addition to your three hours of support each week, you have the comfort of knowing that additional, flexible care packages are available to you from on-site staff. This could include help with your personal care and support with your medication. We work with you to develop a care package that is tailor-made to support your health, wellbeing and independence, and it can be adapted as your needs change over time. We are committed to delivering high standards of care and support that meet your expectations.

You can purchase care and support in units of 15, 30, 45 minutes or an hour to suit your needs and it can be flexible to your schedule.

### **The charge for care is £23.41 per hour.**

We do not provide nursing care, so if you require this you should arrange this through your GP or through a private agency.

You are free to purchase additional care and support from other providers, or to continue with your pre-existing purchased care arrangements if you wish. For the full terms and conditions please see our Care Contract at [jewishcare.org/care-contract](https://www.jewishcare.org/care-contract)

### **Our care is regulated**

The Care Quality Commission (CQC) monitor, inspect and regulate our care services on an ongoing basis to help us make sure we provide a good quality service. They publish their findings, including a rating to help people choose their care. Selig Court has been rated as 'Good'. You can read the CQC's full report at [jewishcare.org/Selig-court](https://www.jewishcare.org/Selig-court)

## Guest suite

You can choose to have guests to visit whenever you wish. Your visitors can stay in your apartment or they can make use of our dedicated guest suite.

You can also visit Taubel's, our on-campus supervised kosher café serving refreshments during weekdays.

Menus are available in advance and tenants can discuss meal options with the chefs.

### **Catering**

You can book catering for birthdays and events. The cost of this will be agreed at the time of booking.

# Ongoing costs:

## Services provided by third parties

There are of course other costs associated with living at a property which are outlined in this section. The following services are not provided by Jewish Care and we ask that you arrange these upon the start of the tenancy.

### Council tax

You should arrange this with Barnet Council.

The council tax bands are D, E and F.

See **[barnet.gov.uk/council-tax](https://barnet.gov.uk/council-tax)** for the most up to date fees and information.

You may be eligible to receive a council tax discount or exemption. For more information visit the Barnet council website.

### Contents insurance

We strongly advise that you arrange contents insurance for your belongings.

## Utilities

These include electricity, landline and broadband. You should arrange these services directly with the suppliers. Individual utilities are payable to their respective companies.

External water metering is not possible due to environmental standards, so your water bill comes via Jewish Care in conjunction with Synapses.

Free WiFi is available throughout the communal areas of the building.

## TV

You should arrange your own TV licence. For more information see **[tvlicensing.co.uk](https://www.tvlicensing.co.uk)**

Facilities are installed to receive satellite television in each apartment. You should arrange your services directly with the provider. There is a communal aerial for Sky and any faults should be communicated to Sky directly (see **[sky.com](https://www.sky.com)**). However, if you don't use Sky and you are experiencing issues, please speak to a member of staff. Our Property Services department can contact our aerial contractor.

# Ending the tenancy

We hope that you are happy with living at Selig Court and that our services can meet your needs. However, we appreciate that circumstances can change, and you may choose to end your tenancy.

If you wish to leave Selig Court during the initial three-year fixed term period, you will need to give two months' notice. If you wish to leave Selig Court after the initial three-year fixed term period, you will need to give one months' notice. During the notice period all the normal charges are payable, including the rent and support charges. We do not charge any administration fees associated with moving out of Selig Court.

In the sad event of a tenant passing away, one months' notice must be given by the next of kin or the executor of their will.

In either event, the apartment must be cleared and the keys handed back to us at the end of the tenancy.

If outstanding charges and any arrears exceed the value of any deposit the additional costs will also need to be paid.

## **Returning the apartment to its original condition**

Tenants are responsible for leaving their apartment in its original condition at the end of the tenancy (except for fair wear and tear). This means removing any fixtures and adaptations that have been made to the apartment. For example, shower screens, grab rails, curtain poles and pictures on the walls should be removed and the walls repaired so the apartment is as it was at the start of the tenancy.

We offer a repairs and maintenance service to help with carrying out any necessary work at a cost to be agreed at time of booking, however you also have the choice of appointing your own tradespeople.

# Important additional information

## **Management structure**

The day to day management of Selig Court is overseen by the Registered Manager, Team Managers, an Administrator, and other support staff. This includes the management of the building, running social activities and events and supporting tenants. Staff at Amélie House (Jewish Care's head office) also support the management of the service.

## **Major repairs**

Jewish Care undertakes regular asset surveys and funds major repairs as necessary. Tenants will not be liable for any surcharges to pay for major building repairs.
