

A photograph of a well-maintained garden. In the foreground, there's a large, leafy tree on the left and a stone birdbath in the center. To the right, there's a lawn with outdoor furniture, including a table and chairs. The background shows more trees and a glimpse of a house.

JEWISH CARE

Welcome to Sunridge Court

Sunridge Court is a warm and friendly care home in the heart of Golders Green. It has built an enviable reputation in the local community throughout its rich history, most recently joining Jewish Care in 2021.

Sunridge Court has 44 private bedrooms, each with an en-suite. Residents can bring their own belongings with them to truly personalise their living space. Sunridge Court offers enriching activities and nutritious food.

Elsewhere in the care home, residents like to sit together in the large sun lounge to read, relax and enjoy the view of the gardens. It is a wonderful place to watch the birds and the wind in the trees. The beautiful, landscaped gardens provide plenty of fresh air and green space to wander all year round.

The valued and highly trained staff work hard to create a friendly atmosphere where nothing is too much trouble. They are available 24 hours a day to meet all the residents' needs.

The care home has strong links with organisations in the Jewish community, so residents remain firmly part of it. Working with local synagogues means that residents can fulfil their spiritual and cultural needs too.
