

Jewish Care Regional Communities Services

As well as giving advice on all Jewish Care services, Jewish Care's Regional Team can support communities with:

Community Engagement

- Helping and advising regional communities during a time of transition
- Exploring what social interventions are needed in the community
- Implementing a programme of events, activities and social groups such as Tea Parties and Chatty Cafes – that meet the needs of the Jewish Community
- Providing access to JC Presents – A virtual Community with Zoom online events mornings and afternoons. Bringing together the Jewish Community from the comfort of their own home
